They're Back

Attorneys A. R. Burnam, Jr., and Murray Smith have returned from an extended tour of the west and report that it is really a great country. They spent most of the time in California, but visited all the western states and investigated the resources of the country thoroughly. They were out on a purely pleasure trip, and saw many Madison county people who are doing well in their adopted homes in the west.

They're There

There is a lot of Madison county people at Lancaster and they are winning the Blue Ribbons in many rings. Robert Walker, Edgar Doty and Rue Duerson have all won money in the saddle and show horse ring. Lord Bourbon, owned by Mr. Doty is looking great this season. Lord Arion, owned by Robert Walker, Mr. Duerson has his Peavines that never fail to get the money.

Tom Out

Tom, one of the big fire horses, injured his ankle in some manner last week, and he will be out of commission for perhaps a month. Kate, the old gray mare, who pulled the big hose wagon by herself for a long time, has been placed in Tom's stall to be ready for duty in case an alarm is sent in. Kate is still owned by the city and no more consistent worker was ever born in horse flesh than this animal.

WINCHESTER

Repeating Shotguns

USED IN THE U. S. ARMY.

The U. S. Army authorities know a gun; that is why, when they decided to equip some troops with repeating shotguns, they selected the Winchester in preference to all other makes. The experts of the U. S. Ordnance Board also know a gun; that's why, after submitting a Winchester Repeating Shotgun to all sorts of tests, they pronounced it safe, sure, strong and simple. If you want a shotgun—buy the one whose strength and reliability led the U. S. Army authorities to select it and the U. S. Ordnance Board to endorse it—that's the Winchester.
